

K&A Lock 16 - Alternative Towpath Route

Unfortunately, due to a failure on the approach wall of Lock 16, the towpath has had to be closed for through access whilst we carry out repairs. We anticipate that these repairs will last until mid-March.

There is an alternative route that uses the Public Footpaths to the South of the canal, as per the map below.

We apologise for any inconvenience caused by this closure.

Towpath closed to through access until mid-March

Alternative route along Public Footpaths
